Installation Instructions

[Notice]
To use the transfer function to QuickBooks Online, you need to install .NET Framework 4 first.
Apply updates from Windows Update after installing .NET Framework.

1. Be sure you log into Windows® as a user with administrator privileges.
2. Download "WinScanSnapReceiptV15LxxWW.exe" onto your hard drive.
3. Make sure you have enough free disk space (at least more than twice the download file size) for installing the programs.
4. Quit any applications that are running on your computer.
5. Execute the downloaded "WinScanSnapReceiptV15LxxWW.exe" file to start the installation.
6. Check for the latest software updates and apply them before operating the scanner.
