

Regarding the Impact of the Noto Peninsula Earthquake

January 4, 2024
PFU Limited

We would like to express our deepest and heartfelt sympathy to all those who have been affected by the Noto Peninsula Earthquake of 2024 that occurred on New Year's Day.

We sincerely hope for the safety and health of everyone in the affected areas, and the PFU Group is committed to contributing to the earliest possible restoration and recovery of the affected areas.

We would like to report on the effects of the earthquake on the headquarters of PFU Limited (Kahoku City, Ishikawa Prefecture) and our group company, PFU Techno Wise Limited (Kahoku City, Ishikawa Prefecture), as follows.

1. Head Office of PFU Limited (Kahoku City, Ishikawa Prefecture)

There is no major damage to the buildings, but in view of the continuing aftershocks and the condition of our employees, we will be closed on January 4 and January 5. In other areas, business will be conducted as usual.

2. PFU Techno Wise Limited (Kahoku City, Ishikawa Prefecture)

There is no major damage to buildings and production facilities, but the company will be closed on January 4 and 5. We are working on production restoration and countermeasures to ensure there will be no impact on our customers.

* PFU Techno Wise Limited manufactures mechanical parts and printed circuit board units for PFU products, processes cables, assembles products, and conducts tests.
